

THE FOUNDATION

The RBV Longhorn Foundation is a 501 c 3 non-profit organization whose mission and goals are to support the students and faculty of RBVHS.

Organized and managed by parent and alumni volunteers, the Foundation partners with athletic booster clubs, school technical committees, and the RBVHS administration to develop fundraising strategies and both short and long term goals for investing in the students, staff and facilities at RBVHS.

The Foundation coordinates annual fundraising events including a golf tournament, sales of tile wall markers in the football stadium, and monthly partnerships with local restaurants. The Foundation also actively seeks grant opportunities for major endeavors.

Focusing on educational, technical, athletic, and extra-curricular activities, the Foundation raises funds to improve campus life for all who attend or work at RBVHS.
