What is the Longhorn Foundation? The Longhorn Foundation is an organization made up entirely of volunteers, established to promote and raise funds for the exclusive use of education programs, sports, campus security, extracurricular activities and facility enhancements needed for YOUR high school.

The current Booster Clubs under The Foundation are: Football, Basketball, Cheer, Field Hockey, Golf, Softball, Aquatics, Soccer, Cross Country/Track, Tennis, and Volleyball. If you don't see your sport or club listed, then find out why! Don't miss out on funds for your athletic group or club.

One of our goals is to have all boosters under The Foundation so we can all work together to raise funds for your own organization. As a unified high school fundraising organization we can more effectively impact our member organizations, school and community. The Longhorn Foundation can speak with one voice to local businesses and community leaders to rally support for our school programs. The Foundation is an established non-profit 501(c) (3), donations may be tax deductible. We want to be the BEST high school in North County and in order to do this we need your support as well as the community.

Current Projects: Bathroom and team room renovations, technology improvements such as RBVTV, security cameras and safety on campus, financial support for athletic programs, replace/repair athletic equipment, funds for classroom supplies and purchasing items on our school wish list.

Make your mark on the RBV Tile Wall, see the attached flyer on how to purchase a commemorative tile with your family or students name engraved in stone.

Come to our meetings on the 2nd Tuesday of each month at 6:30 in the Career Center

We like to have parents, coaches, and faculty from each organization/club/athletic group present.
